

# Billing Software Dev for Furniture Manufacturing Company

## PROJECT DETAILS

 Custom Software Development

 Jun 2019 - Ongoing

 Confidential

“  
*“They are the best in terms of cost, and their services are excellent.”*

## PROJECT SUMMARY

LogiKom - Software House developed an online billing system for a furniture manufacturing company. The team built the software in accordance with government mandates.

## PROJECT FEEDBACK

Thanks to the system built by Logikom - Software House, the client now enjoys a more agile and compliant payment process. The team has been flexible and responsive, but they continue to improve their services to maintain their positive partnership with the client.

## The Client

Introduce your business and what you do there.

I am a sales manager at a furniture manufacturing company.

## The Challenge

What challenge were you trying to address with LogiKom - Software House?

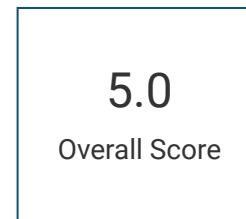

The government required us to migrate our billing systems online, so we hired LogiKom to help us implement this.

 Sales Manager,  
Furniture  
Manufacturing

### CLIENT RATING

Quality: 5.0

Schedule: 4.0

Cost: 5.0

Would Refer: 5.0

## The Approach

### What was the scope of their involvement?

LogiKom implemented an online billing system for our company. This was meant to replace our old, manual billing system.

### What is the team composition?

We worked directly with three people.

### How did you come to work with LogiKom - Software House?

We searched around and contacted different companies that could provide the service we were looking for. LogiKom replied promptly and was a good fit for us in terms of cost, availability, and ability to provide helpful solutions, so we chose to work with them.

### What is the status of this engagement?

We started working with them three years ago, around June 2019.

## The Outcome

### What evidence can you share that demonstrates the impact of the engagement?

LogiKom has developed a software that is more agile and easier to use than our manual billing system. It has brought about a very positive change within our company.

### How did LogiKom - Software House perform from a project management standpoint?

We communicate by phone and email.

## What did you find most impressive about them?

LogiKom is a great partner, and I don't think I would switch them out for another provider. One of the things I'm happiest about is their quickness at responding and their flexibility. They're very kind, and working with them has been a great experience.

## Are there any areas they could improve?

No, they constantly renew and improve their services, so I can't say anything.

## Do you have any advice for potential customers?

They are the best in terms of cost, and their services are excellent.
